

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Order Instituting Rulemaking to Implement
Portions of AB 117 Concerning Community
Choice Aggregation.

Rulemaking 03-09-007

**ADMINISTRATIVE LAW JUDGE'S RULING
RESETTING DATES FOR COMMENTS AND WORKSHOP**

The Commission issued an order initiating this rulemaking on September 4, 2003. The order sets a schedule for comments and a workshop. Since the issuance of the order, several parties have contacted me seeking extensions of time for the comments and a new date for the workshop on the basis that the current date is on the day of California's recall election.

This ruling reschedules deadlines for comments and the workshop. It also schedules a prehearing conference for the same day as the workshop. At the prehearing conference, the Commission will take appearances and address various procedural matters. Parties who do not attend the prehearing conference and who wish to remain on the service list must contact the Commission's Process Office in order to remain on the service list.

The new schedule for comments, the workshop and prehearing conference are as follows:

October 21

Opening Comments

October 28

Prehearing Conference/Workshop

Parties do not need to serve their opening comments on the current service list of this proceeding, which includes hundreds of cities and counties. They must, however, agree to provide them to any party who requests them and must serve them electronically on all parties after the Commission creates an electronic service list. Parties who file opening comments must bring at least 40 paper copies of their comments to the prehearing conference. The Commission will set a date for reply comments after it creates a new service list and in order that parties may serve reply comments electronically. No party will be prejudiced by the delay in serving opening comments.

IT IS RULED that:

1. The Commission will hold a prehearing conference in this proceeding at 9:30 a.m. on October 28, 2003 in the Commission's hearing room, 505 Van Ness Avenue, San Francisco, California.
2. The Commission will hold a workshop in this proceeding at 11:00 a.m. on October 28, 2003 in the Commission's hearing room, 505 Van Ness Avenue, San Francisco, California.
3. Comments are due on October 21, 2003 and should be served as set forth herein.

Dated September 16, 2003, at San Francisco, California.
